MYP 2 Unit 2: 3D Dream House

Criterion D - Evaluating - Group work

Group Members: ____________________  ____________________  ____________________

___________________  ____________________  ____________________

House chosen: ____________________

Task 1: Each member of your group should give one positive and one negative constructive criticism about the house:

<table>
<thead>
<tr>
<th>Name</th>
<th>Positive Criticism</th>
<th>Negative Criticism</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td></td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

Task 2: Explain is this a dream home? Is it YOUR dream home? Why? (Think about the layout, what rooms does it have or should have, the surrounding environment)

_____________________________________________________________________________
_____________________________________________________________________________
_____________________________________________________________________________

Task 3: If you had a chance to live in this home, what changes would you make to it, give at least 3 suggestions

_____________________________________________________________________________
_____________________________________________________________________________
_____________________________________________________________________________

Bonus Task: Is the house green (sustainable)? Why or why not? What green elements does it have?
